Craft™

NEW ADDITIONS

With a rustic, hand-crafted look and feel, the Craft range is a unique and individual collection that looks at home in all dining environments. With two striking new colourways – Liquorice and Porcini, Craft creates a tabletop that diners will not forget.

The new Liquorice colourway adds drama and sophistication to the entire range and is in sync with the current trend for black tableware. Visually arresting, Liquorice contrasts and co-ordinates with the existing Craft colourways, amplifying the rustic effect and re-invigorating an already iconic and market-trusted range.

The range embodies the beauty of rich, lustrous glazes applied by hand, and celebrates chance effects and reactions which occur in the kiln.

Craft the original and arguably the best.

Ink™

NEW RANGE

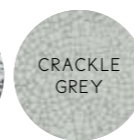

Crackle patterns have a long and distinguished history going back millennia. Crackling occurs when the glaze does not fit the clay body of the ware correctly, causing it to fracture into beautiful linear patterns, covering the entire surface of the glazed piece.

Available in two colourways, Black and Grey, Crackle will add texture and nuance to casual and contemporary food presentations and is aesthetically compatible with both plain white and many of our craft inspired ranges.

Art Glaze™

NEW ADDITIONS

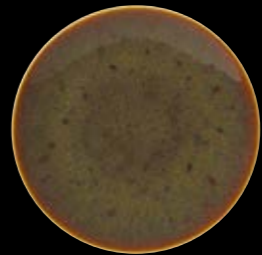

The Art Glaze range from Royal Crown Derby constitutes an upmarket artisan aesthetic allied to the purity and whiteness of fine bone china. Each piece is unique as reactive glazes obtain their beauty through random and chance effects due to kiln firing, glaze chemistry and their being applied by hand.

The four coloured glazes have been developed to be beautiful individually, or in contrast with each other. Special attention has been given to deliver a refreshing, high-end presentation platform to best showcase chef-driven menus.

POTTERS SINCE 1945

“ I have worked in kitchens for over 20 years, my plates are my canvases. I only buy the best, and by that, I mean quality and design. With Robert Gordon plates you get both, they are strong and they withstand the demand of my restaurant all while maintaining a beauty and care for design. I used them once and have never looked back. ”
